Dear Ms. Johnson:

Thanks very much for your help on the information about my insurance policy. The company they merged with found my policy and is helping to update their records. Your assistance was really appreciated.

Regards,

T. R. Clatterbuck

Dear Mr. Clatterbuck,

In researching you request on National American Life Insurance Company, I have found the following information:

National American Life Insurance Company merged into Philadelphia Life Insurance Company effective January 1993. Then Philadelphia Life Insurance Company merged into Conseco Life Insurance Company effective December 1998. Conseco Life Insurance Company is still an active company doing business in Louisiana. The phone number and address is (317) 817-6400 or (800) 888-4918, 11815 N. Pennsylvania Street, Carmel, Indiana 46032.

If I can be of any further assistance please contact me, LaTrenda Johnson at (225) 342-1200.

Dear Sir,

I lived in Shreveport until late 1958. During the time I lived there I purchased an insurance policy from the subject insurance company located in at that time in Baton Rouge. I would appreciate your assistance in locating the company (their new address) to find out the status of the policy I purchased on April 25, 1958. The policy was paid up on Sep. 4, 1968. If the company is no longer in business who would be responsible for the policy.

Sincerely yours,

Thomas R. Clatterbuck

I tried to send the above message to the address you sent in reply to a question I asked. Perhaps I did not read your answer properly. I read the address as:

www.lidi.state.la.us. When I tried to send the message I received word that I was not using a correct address. Could you possibly send this message for me. Or send me their mailing address?

Thanks again,

Thomas R. Clatterbuck
